Introduction

This is a contract of insurance which consists of the policy wording and the accompanying schedule, which should be read together to ensure they fully reflect your instructions. Please read your schedule carefully to ensure that it has been prepared in accordance with the cover you have requested. If it is not correct, please return the document immediately to your broker with your instructions and they can make the necessary changes. Failure by you to advise us of any material changes to the information may result in us rejecting your claim or your policy may be voided.

Your policy wording details all the covers available when you purchase a personal insurance policy from us. However, not all the covers may be applicable and your schedule will show which covers are in force and the amounts insured where appropriate. You may request to increase or add elements of cover under this policy where required.

This policy records the terms and conditions of the contract between us, The Hollard Insurance Company Limited (Reg. No. 1952/003004/06) and the policyholder whose name appears in the schedule. The policyholder is represented by the broker whose name appears in the schedule.

If you are unsure what information may be material to your policy or whether you need to advise us of any change, please contact your broker for advice.

At renewal of your policy, you will be provided with an updated schedule. Any changes to your cover provided under your policy will be reflected either in an amendment to your cover or a new policy wording.

We will cover you for events that take place during the time that you are insured, subject to any restrictions in the contract of insurance in accordance with what is stated in your policy wording on condition that you meet all the terms, conditions and requirements as listed in this policy wording and accompanying schedule.

Your full and correct disclosure of facts

You must make sure that all the information you give us about yourself, your property and your risk profile is accurate. This will include information about your financial situation, such as insolvency, taking up a dangerous sport like hang-gliding or a change in the driver of your vehicle. Incomplete or incorrect information could affect the validity of your policy, and may result in us voiding your policy.

You must tell us immediately of any material changes that may increase the risk of loss or damage to your insured property. We will then have the right either to cancel the policy, or let it continue with new terms and conditions.

Report insurance fraud

Insurance fraud is not a victimless crime. It imposes additional costs on honest policyholders and wastes the valuable resources of our community. This means it affects everyone.

We actively pursue fraudulent and inflated claims in order to keep your premiums as low as possible. Fraudulent claims will be investigated and may be reported to the police.

Help us fight insurance fraud by reporting:

- inflated repair bills
- staged incidents
- false or inflated claims
- fires which may be intentionally started, including by someone known to you.

To report suspected insurance fraud: phone 0860 002 526 or SMS: 32269 or, email: insurance@fraudline.co.za. Let's work together to reduce the impact of insurance fraud on the community.

About your sum insured

- **What is a sum insured?** The sum insured is the most you can claim for any one incident. The amount is stated in the schedule. The sum insured includes VAT and any adjustment you are entitled to.
- **Make sure your sum insured is adequate:** When you are under-insured you can be exposed to serious financial loss if a claim occurs. Make sure your home and contents are insured for the replacement value. Motor vehicles must be insured for the retail value or where agreed, for the sum insured stated in the schedule. It is your responsibility to decide on the value of your sum insured and ensure that your sum insured is adequate.
- **Review your sum insured regularly:** Make sure your sum insured is adequate; it is important to review it regularly and ask us to change the sum insured when required. New replacement prices on contents are constantly changing, especially for jewellery, valuables, photographic, computer, audio-visual equipment and electronic goods.

If you upgrade the size and standard of your home, it may increase the cost to rebuild your home. Your sum insured will need to reflect these types of changes.

We do offer an asset inventory service whereby we will appoint a surveyor to survey your assets and this cost might be charged for as an additional outsource fee.

- **If you over-insure:** We will not pay more than it costs us to reinstate, repair or replace. We will not refund any premium overpaid for over-insuring so it is a good idea to constantly review your sums insured.
- **Value Added Tax (VAT):** VAT is included in your sums insured limits and the most we will pay as stated in this policy wording and in your schedule.

General conditions

The following general conditions apply to all the sections of the policy. We may reject your claim if you fail to comply and/or reclaim any benefit already paid to you and we will be entitled to cancel your policy.

- **Due care** means:
 - you must take reasonable steps to prevent accidents, bodily injury or illness and to protect your property against loss or damage
 - you must keep any property insured under this policy in good condition and repair and ensure that every insured item is afforded a level of care and protection commensurate with its value.
- **Duty of disclosure** means you must make sure that all the information you give us about yourself, your property and your risk profile is accurate. This will include for example information about your financial situation, such as insolvency, taking up a dangerous sport like hang-gliding or a change in the driver of your vehicle. Incomplete or incorrect information could affect the validity of your policy, and may result in us voiding your policy.

You must tell us immediately of any material changes that may increase the risk of loss or damage to your insured property. We will then have the right either to cancel the policy, or let it continue with new terms and conditions.

If you are unsure it is better to tell us. If you do not tell us something which you know or should know is relevant, we might reduce a claim, reject a claim, cancel your policy or if fraud is involved, we can treat the policy as if it never existed.

- **Fraud or wilful acts** means you will lose all rights to claim under this policy if you or anyone acting on your behalf:
 - claims fraudulently
 - commits a deliberate, wilful or intentional act resulting in the loss or damage claimed for
 - submits fraudulent or false information or documents in support of a claim
 - deliberately exaggerates the total value of a claim.
- **Insurable interest** means you must have an insurable interest in the insured property. You must stand to benefit from its continuous undamaged existence; or to be prejudiced by its loss or damage; or by any liability which may occur.
- **Interests of financial institutions** means: If any financial institution has been noted as having an interest in the insured property, we will first pay that financial institution to the extent of their interest or the sum insured stated in the schedule, whichever is the lesser amount. If you act or omit to act in a way that may make this policy invalid, the interest of the bank or financial institution will not be prejudiced if:
 - the financial institution was not aware of the fact that you were in breach of the policy
 - you did not put in a fraudulent claim or cause the loss or damage yourself.

You must pay any additional instalment or payment owed to the financial institution.

- **Inflation protection** means the maximum amount for which you are insured on your contents and/or home will be adjusted annually in line with inflation. It remains your duty, however, to make sure that the sum insured reflects the full replacement value of the insured property at all times.
- **More than one named insured** means if there is more than one named insured stated in your schedule, we will treat a statement, act, omission, claim or request to alter or cancel your policy made by one as coming from all those named as insured in your schedule.
- **Other insurance** means if a claim payable under this policy is payable under any other policy we will pay only our proportional share of the claim.
- **Overlapping of duplicate cover** means if an insured event occurs and there is overlapping or duplicated cover under different sections of your policy for the same loss, damage or liability you must decide under which section you will submit your claim. You may not submit separate claims under different sections of the policy for the same event.
- **Pay your premiums on time**

Your premiums – whether paid monthly or annually – must reach us on time. All premiums are payable in advance, before your policy starts.

 - Monthly premiums

Monthly premiums are payable by bank debit order unless we have agreed otherwise, but only as an interim arrangement.

Your very first premium must be paid on time in advance; there is no grace period.

A grace period is where we have agreed to keep you covered for a specific period, although your premium for that period has not been paid on time. The grace period always ends on the date the next premium is due.

If you miss a payment for any subsequent month, we will keep you covered for that month as a grace period. We will, however, request payment (by debit order) of two months' premium the next month. If we do not receive the two months' premium, or you instruct your bank to stop the payment, your policy will be automatically cancelled. This cancellation will be backdated to the date on which your first payment was supposed to have been made. No cash payment by you after the grace period, without our prior agreement, will be accepted or will reverse this cancellation.

– Annual premiums

If you are paying annually, you are allowed a 30-day grace period after the start of your policy to settle your payment. If you miss this deadline, your policy will automatically lapse. Any claims you may make during the grace period will not be settled until you pay all premiums still outstanding, or agree to them being deducted from any settlement.

- **Period of insurance** means the time for which this policy is in force as stated in the schedule. If you pay your premium annually, cover continues to the anniversary date of your policy plus any period for which you renew your policy. If you pay your premium monthly, the period of cover continues for each calendar month for which you have paid the premium.
- **Precautionary measures** means if you declared precautionary measures at any time during the period of insurance, or any such measure is a prerequisite for cover as stated in your schedule, you must ensure that these measures are in place and in working order at the time of loss or damage for which a claim is submitted. If these measures are not in place, fully maintained and in working order there will be no cover.
- **Proof of ownership and value** means when you make a claim we may ask you to give us proof of ownership and value for what you are claiming for. This is especially important for valuables and items listed in your schedule and/or any supplementary documentation, especially items such as jewellery, electronic items and watches.

There are some items where we will reduce or reject a claim unless you have proof of ownership and value. We have provided a further explanation on this under the section 'How we settle your claim'.

- **Reinstatement of sum insured** means the sum insured stated in the schedule will not be reduced by the amount of any claim.
- **Rights to you only** means nothing in this policy is intended to give any person other than you or us any right to enforce any term of this policy.
- **Special conditions** means we may impose special conditions on your policy that might exclude, restrict or extend cover for a person or particular matter. Any imposed conditions will be stated in your latest schedule. It is important that you read your schedule carefully.

- **Sum insured or limit must be stated** in the schedule. Any maximum amount which is left blank or has no monetary amount against it is not insured by the policy.
- **Survey** means we may ask a surveyor to survey and quantify the value of your home and/or contents at any time. Based on the outcome of this survey, we may do any of the following:
 - change the terms, conditions and exclusions of your insurance by giving 31 days' notice
 - increase the value of your sum insured
 - cancel your insurance by giving 31 days' notice
 - treat your policy as null and void.

It is important to note that the responsibility to verify and agree that the values are adequately stated and reflected in the survey remains with you.

Terms of the policy means you have to ensure that you, your spouse, partner, children, parents, grandparents and relatives who permanently live with you and are financially dependent on you comply with the terms and conditions of this policy. You must read your schedule and any changes to it and the policy together. Any specific meaning that has been given to a specific word or expression in any part of the policy is the meaning we intend it to have.

No waiver of any terms, conditions, exclusions or endorsements to this policy will be valid unless we have agreed to it. The policy falls under the jurisdiction of the courts of law of the Republic of South Africa. It does not include any awards including costs and expenses of legal processes that a court of law may allow anyone who claims against you if these do not come from a court of law in the Republic of South Africa.

- **What does 'no claim bonus' (NCB) mean?** A discount on your premium as a reward for your good driving and/or insurance history. On each renewal, your discount will increase, provided you have not made any claims that affect your NCB. Your NCB will keep increasing until you reach the maximum discount level. If you are eligible, your NCB is stated in your schedule. When you are paid out for a claim, you may find that your NCB is reduced and your premium increased.

We have the right to alter the terms of cover for maximum NCB, including excess, premiums and acceptance of cover according to our underwriting rules.

- **What happens with policy changes and cancellations?**
 - You can change or cancel your cover or policy at any time and the cancellation takes effect on the date you request us to cancel it.
 - We may change or cancel your cover or policy by giving you 31 days' written notice thereof at your last known postal address. We will refund any money we owe on a pro rata basis.
 - If we cancel your policy due to fraud, we will not refund any money to you.

Notify us immediately

- **When your home will be unoccupied:** When your home will be unoccupied for more than 60 consecutive days all cover stops unless we have agreed to it in writing and you pay us any additional premium we may require.
- **When you alter, extend or renovate** your home you need to notify us 60 days before you start.
- **You must also contact us immediately** when any details stated in your schedule are no longer accurate. You are also allowed to request a change to the policy at any time. For example:
 - you change your insured address
 - you have a criminal history relating to fraud, theft, burglary, drugs, arson, criminal, malicious or wilful damage
 - you alter sums insured, or
 - you replace your vehicle.

Note that the changes you request may require us to amend the terms and conditions of the policy.

We will refund any premiums due to you, and no claims will be payable.

- **Electricity grid failure:**

How we settle your claim

The following conditions on 'How we settle your claim' apply to all sections of this policy. We may reject your claim if you fail to comply and/or reclaim any benefit already paid to you and we will be entitled to cancel or void your policy.

Making a claim

When to make a claim

Please contact your broker to notify us of a claim, within 72 hours, if possible. This will help us to resolve your claim quickly. You must notify us of the claim within 30 days of the loss or damage taking place.

- **How to make a claim**
 - Make sure everyone is safe.
 - Inform the police immediately. This is particularly important when property has been stolen, a motor accident has occurred, people have been injured or died, or a criminal act is suspected.
 - Take all reasonable steps to recover any stolen property and where safe to do so, find the guilty person.
 - Keep details of the date on which the incident was reported, name of the police officer, police station and the report number.
 - Take reasonable, necessary steps to prevent or minimise any loss, damage, injury or liability. This includes taking appropriate emergency measures and action to prevent or minimise any future loss, damage, injury or liability.
 - Contact us without further delay. If you delay reporting your claim, we will not pay for any additional loss or damage caused by your delay.
- **Legal Liability Claims**
 - Tell us about any incident that has caused injury to others or damage to other people's property.
 - Tell us immediately of any demands made on you to make payment to others. Send any court documents, letters of demands or any settlement offers to us.
 - If you make a legal liability claim that is covered under this policy we can decide to defend you, settle any claim against you or represent you at an inquest, official enquiry or court proceedings.
 - If we decide to defend you, settle any claim against you or represent you, then you have to give us all the help we need including help after your claim has been settled.
- **What you must not do**

When an incident occurs that could result in a claim:

 - do not get rid of damaged parts of your home, contents or motor vehicle without our consent
 - do not carry out or authorise repairs without our consent unless you are not able to contact us and the repairs are necessary to prevent further loss or damage
 - do not admit liability or responsibility to anyone unless we agree
 - do not negotiate, pay or settle a claim with anyone unless we agree.

- **Additional information we may request on motor claims:**

- the location of the vehicle
- copy of your driver's licence
- names, addresses, ID numbers/licence details of drivers of your vehicle involved
- details of the owner/s of the other vehicle/s or property involved
- makes and registration numbers of all vehicles involved
- injuries sustained by any of the parties
- photographs of damage caused and the scene of the accident.

- **Windscreen claims**

It is important that you use a Hollard-approved service provider to carry out windscreen repairs or replacement. You must contact your broker and follow their instructions to have your windscreen replaced. You must have our authorisation before you have the windscreen replaced or repaired.

- **If you do not comply** with any of the points above we can reduce or reject your claim.

How to establish your loss

- **Establish that an incident took place**

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you do not do this, we will not be able to pay your claim.

- **Describe your loss or damage**

You must also give us accurate and full details of what was lost, stolen or damaged and give us proof of value and ownership for items claimed.

- **When you have a claim**

Usually allowing us, a repairer or an expert appointed by us, to look at what is damaged is all that is needed to prove your loss. We may ask you for proof of ownership and value of items claimed for.

- **Things you must do**

- If we ask you to, you must talk to or meet with an expert we choose, such as a claims assessor, investigator or repairer.
- Allow us to arrange for experts to assess the damage and to quote on repair or replacement.
- Provide us with a quote for repair or replacement if we ask for this. If you use our recommended repairers (when available), there is no need to obtain your own quotes.
- Consult an expert if we ask for this and provide any information the expert requests.
- Allow us to contact your security company and have access to your keypad to verify alarm activation.

○ **Other things you must do**

- You must promptly give us any information and help we require to handle the claim. This can include agreeing to be interviewed and providing relevant documents we ask for (for example, proof of ownership).
- You must either drive (if it is safe to do so) or let us move your vehicle to one of our assessment centres or repair facilities, or another location nominated or agreed to by us, so we can assess the damage and process your claim.
- You must allow us to recover, salvage or take possession of your vehicle.
- If we ask you to, you must attend court to give evidence.
- You must lay a charge due to the dishonesty of any member of your family or immediate household, domestic employees or contract workers, whether acting alone or in collusion with others.

Your co-operation is extremely important. If you do not co-operate we may reject your claim or we may be unable to assess and pay your claim.

How we settle your claim

○ **Claims preparation costs**

The insurance of each section of this policy is extended to include costs reasonably incurred by you in producing and certifying any particulars required by us to substantiate the amount of any claim, limited to the amount stated in the schedule. These costs can be incurred only with our written permission.

○ **Claim settlement basis**

- We may decide to compensate you by:
 - repairing
 - replacing
 - paying cash, or
 - any combination of these.
- Our maximum compensation is limited to the amount stated in the schedule, less any excess stated in the schedule. If we replace or repair, we will not be obliged to do so exactly but only as circumstances reasonably allow. If we repair or replace any loss or damage we may use any supplier or repairer of our choice.
- In the event of a jewellery or watch loss, we may use a manufacturing jeweller to replace the item; should you choose the cash settlement, our indemnity to you would not exceed the amount for which they are able to replace the item.
- Before we finalise or settle any claim we may require you to sign an agreement of loss.
- If any item claimed for is financed, our responsibility may be to pay the finance company first.
- If we have paid a claim all salvage and recoveries will become our property.

- **Dealing with defects**

- We do not pay for loss or damage caused by defective workmanship or materials, structural faults or **design faults** at your home that you knew about and did not fix before the loss or damage occurred.
- If an **unknown defect** is the cause of the damage:
 - we do not pay for loss or damage caused by **defective workmanship** or **materials**, but
 - if the loss or damage was caused due to a **structural fault** or **design fault** we will pay for the resulting damage only.
- When we accept a claim we do not pay to rectify **defective workmanship** or **materials, structural faults** or **design defaults** that existed at your home before the damage occurred.
- Once you become aware of defective workmanship, a structural **fault** or **design fault at the home**, you must rectify it as soon as possible because there is no cover for loss or damage due to such defects. If you do not rectify the defect or fault to acceptable standards at your expense or cost, we will not cover you or might not offer to renew your policy.

- **Examination under oath**

We have a right to examine you under oath as often as we require. We may ask you to give us a signed description of the circumstances surrounding a loss and to provide us with any records, documents, information or evidence that we request.

- **Further damage after an accident**

If your vehicle is in an accident and is used or driven before the repairs have been done, you will be responsible for the cost of repairs for any further damage to the vehicle related to the accident.

- **Items in pairs and sets**

If you lose or damage an item that is part of a pair or set we will decide how to compensate you for the loss or damage by:

- restoring, repairing, rebuilding or replacing the lost or damaged item, or
- paying you out a portion of the value in line with the total value of the pair or set.

- **If we decline a claim** we will provide reasons for our decision to decline it and if your claim is lodged, we will send you written confirmation.

- **Recovered property**

In the event where a recovery of the property, motor vehicle or item from a collection has been made after we have settled a claim, we will notify you in writing. You will have the option to purchase the property, motor vehicle or item back from us. The amount payable will be the amount paid to you by us when the claim was settled.

You will have 30 days to notify us of your decision about purchasing the property or not after which we have the right to dispose of it as we see fit.

○ **Settlement of your claim**

We will settle all valid claims as quickly as possible. We must investigate the validity of all claims, and delays in approving claims may occur. Your cover will be limited to the amount and settlement basis stated in your schedule and your policy wording, less your excess amount. Your excess amount will be the total of your basic excess and any additional excess amounts that apply to the specific claim, as stated in your schedule.

○ **Total loss**

We have the right to decide when the insured property can be declared a total loss. A total loss is when the cost of repairs plus salvage or replacement of the item amounts to more than the sum insured of the item at the time of the loss.

○ **Time limits**

- If we reject a claim in writing or if you dispute the outcome of your claim you may, within 90 days from the date of receiving such communication from us, make written presentations to us of your objection. Immediately following this, you have a further 180 days in which to serve a summons on us. If you do not serve a summons on us within this period your right to challenge the decision is forfeited.
- We are not liable after 365 days from the date of the event that gives rise to a claim, unless the claim is the subject of pending court action or arbitration; or is a claim in respect of your legal liability to a third party.

○ **Time period to start repairs**

Repairs to your vehicle must start within six months of the date that we approve your claim. If you delay the repairs after this period, we will pay only the agreed amount at the date of our authorisation of the claim and you will be responsible for the balance if the cost of repairs increases.

○ **When we cannot match materials**

- When the insured property is repaired we are not obliged to do so exactly or precisely but only as circumstances reasonably allow at our discretion. If we cannot find new materials to match undamaged parts, we will use the closest match available to us.
- We will do this only to the part of the structure or room where the loss or damage has occurred. We will not pay for matching building materials to create a uniform effect throughout your home.
- If you are not satisfied with the materials we find as the closest match:
 - you can pay the extra cost of replacing undamaged parts of the home to achieve a uniform appearance if we agree, or
 - we will pay you what it would have cost us to repair or rebuild the damaged part.

○ **You may choose to rebuild your home**

You may choose to rebuild your building as close as possible to its condition when new on the same site or on another site and in the way you want.

Provided that:

- you start and finish within 12 months of the date of loss or destruction or damage
- we will not be responsible for any amounts that are more than the cost of repair or reinstatement.

Definition of proof

These terms are used in the following pages and are defined below.

Warranties

The following warranties are applicable to the following sections of your policy **Home, Section 1, Contents, Section 2** and **Fine Arts, Section 4** unless otherwise stated:

All non-standard construction buildings

You will not be covered for loss or damage from a fire if the home is of non-standard construction and does not have either **Surge arrester** or a **Lightning conductor**, as explained below.

○ **Surge arrester requirements**

If you choose to install a surge arrester, it must be as per the SANS/IEC 61643-11 low voltage surge protection standards, installed on the main electrical distribution board and the device must:

- Be a type 2 device.
- Be designed to withstand at least peak surge currents of 40kA (I_{max}).
- Be wired in terms of SANS 10142-1 Connection type 2.
- Have a status indicator to indicate if the arrester is operational or not.
- Be installed by a registered electrician who must provide either of the following:
 - A Certificate of Compliance for the installation.
 - Proof of installation stating the adherence to the required electrical standards and regulations at the time that the device was installed as well as complete the **Surge arrester checklist form**, which you can request from your broker.

The Certificate of Compliance or proof of installation must be provided to your broker soon after the device was installed. If you are not able to provide proof of installation or have not met the surge arrester requirements, your cover will be limited, and you will have to pay an excess for power surge claims.

○ **Lightning conductor**

If a lightning conductor is installed it must comply with the following requirements:

- The lightning conductor must be installed, operated and maintained according to the manufacturer's specifications.

- The lightning conductor must be of adequate height to protect the building at a minimum angle of 45° from the top of the building to ground level and needs to be earthed.

In addition, the following conditions apply to chimneys and thatch or wood roofs:

○ **Chimneys**

- You must take all reasonable steps to make sure that your chimney complies with the relevant National Building Regulations regarding the height of the chimney and the materials used to construct it. The following conditions also apply to chimneys:
 - The chimney must not create a fire hazard to any adjacent material.
 - A non-combustible flashing must be installed on the roof around the chimney.

- Where metals used in the construction of the roof are not bonded and earthed, a minimum clearance of one metre must be maintained between metals in the roof, water pipes, vent pipes, tanks, gas pipes, antennas, telephone, bell wires, burglar alarms, electrical wiring and conduits.

○ **Wood or thatch roofs treated with fire retardant**

- If you have a wood or thatch roof and it is treated with a fire retardant, then it must be maintained according to the manufacturer's specifications or at a minimum interval not exceeding 3 years.
- You must supply us with written proof of the maintenance, if required by us.

Safe warranty

You have to keep each item of jewellery or watches valued in excess of the limit stated in the schedule in a locked safe that is fixed to the building when the building is unoccupied, or alternatively, the items should be worn or carried by you at the time of the loss. If not the payment will be limited to the amount stated in the schedule.

Tennis bracelet warranty

Any jewellery item that carries the description of tennis bracelet must have a secure clasp which must be securely fastened while the item is worn. The clasp must be inspected by a jeweller every 12 months. If this is not adhered to we reserve the right to reject your claim.

Jewellery certificate warranty

Before your cover starts, you must provide us with a valuation certificate from a registered jeweller or valuator. If you do not, we will not pay you more than the amount stated in the schedule for jewellery, gold, silver, platinum, watches, and precious or semi-precious stones.

Security measures

The following security measures are applicable to the following sections **Home, Section 1, Contents, Section 2 and Fine arts, Section 4** unless otherwise stated:

Precautionary measures

If you declared precautionary measures at any time during the period of insurance, or any such measure is a prerequisite for cover, you must ensure that these measures are in place and in working order at the time of loss or damage for which a claim is submitted. If these measures are not adhered to we reserve the right to reject your claim.

- **Burglar bars and security gates**

(If stated in the schedule as applicable)

- all opening windows, louvres and skylights must be protected by burglar bars
- security gates must be fitted to all exiting doors, and must be locked when your home is left unoccupied or unattended.

- **Alarm system**

- the alarm must be linked to a 24-hour armed-response service
- the alarm must be working properly
- it must be activated when your home is left unoccupied or unattended
- you must change the generic code to your own unique code.

Note that your alarm system may be required to include an electric fence or outside alarm beams. This is described in your schedule as perimeter security.

The warranty will not apply should the alarm malfunction due to a defect or circumstances unknown to or beyond the control of the insured.

The additional excess stated in the schedule will apply if the alarm malfunctions due to a defect or circumstances unknown to you or beyond your control at the time of theft, attempted theft or burglary.

If you are unsure of which security requirement applies, please check your schedule.

If you live in a high-security complex

If your home is listed in the schedule as being in a high-security complex, then you must have the following security measures in place at all times, fully maintained and in working order:

- 24-hour access control to the complex
- a perimeter wall (minimum 1.8 metres high) with electric fencing, alarmed and linked to either a 24-hour armed-response service or the guardhouse

 - all windows must be closed and
 - all doors leading outside must be locked.

In addition, the following security measures also apply if stated in the schedule:

- security gates must be fitted to all exiting doors, and must be locked when your home is left unoccupied
- an alarm system must be installed complying with the following requirements:
 - the alarm must be linked to a 24-hour armed-response service
 - the alarm must be working properly
 - it must be activated when your home is left unoccupied
 - you must change the generic code to your own unique code.

Note that your alarm system may be required to include an electric fence or outside alarm beams. This is described in your schedule as perimeter security.

If you are unsure of which security requirement applies, please check your schedule.

Your excess

○ What is an excess?

An excess is the amount you have to pay for each incident when you make a claim. We will deduct the excess from the amount of cover provided by your policy for the loss. The amount and types of excesses are stated in your schedule. Check your schedule now and familiarise yourself with the applicable excesses. The types of excesses are listed below:

- **Basic excess** means this excess applies to all sections of the policy wording.
- **Optional cover excess** means the excess applicable to optional cover.
- **Additional excess** means sometimes we might decide to impose an additional excess. There is a range of reasons why we might decide to impose an additional excess. If an additional excess applies it applies in addition to any other excesses.
- **Excess waiver** means if you selected this option it is subject to an additional premium and the basic excess applicable will be deleted unless stated otherwise in your schedule.
- **Flat excess** means if you selected this option it is subject to an additional premium and the basic excess applicable will be deleted unless stated otherwise in your schedule.
- **Voluntary excess** means if you selected this option it is subject to a discount and will be applied in addition to the basic excess applicable.

○ When multiple excesses apply: Depending on the circumstances, you might have to pay more than one type of excess when you claim.

- **One excess when you claim for your home and contents:** If you have a claim for both home and contents for the same insured incident, we will calculate the excesses that apply to your home and contents separately. You do not have to pay both; you pay the higher of the two amounts only. You must pay the excess in full.

○ **How to pay your excess**

If your claim is approved, we will:

- ask you to pay your excess to a repairer or supplier, or
- ask you to pay us the excess, or
- deduct the excess from the amount of cover for the insured loss, and
- pay your claim.

Motor vehicle claims

○ If we agree to pay for a claim due to accident, loss or damage or theft to your motor vehicle, we decide if we will:

- repair the damage
- replace the damaged parts of your motor vehicle
- pay you what it would cost us to repair or replace the damaged parts of your motor vehicle
- settle your claim as a total loss, or
- pay you up to the maximum you are entitled to under the applicable additional cover option.

○ **If your motor vehicle is damaged**

- **Choice of repairer:** You can choose to allow us to arrange for the repair of your motor vehicle or you may use your own repairer if we have agreed to this in writing.
- **If your motor vehicle is not safe to drive** we will arrange to move it to either one of our assessment centres, repair facilities or to another location nominated by you and agreed to by us.
- **If your motor vehicle is safe to drive** we will arrange a time with you to bring your motor vehicle to one of our assessment centres or repair facilities, or another location nominated by you and agreed to by us.
- **If you allow us to arrange the repairs**
 - We ordinarily obtain one competitive quote from our approved repairers (where available).
 - We authorise the repairs based on the most appropriate quote and manage the repair process with the repairer.
 - We will keep you informed on the progress of the repairs.
- **If you choose your own repairer**
 - After you obtain a quote from your repairer, we will:
 - arrange a time with you to drive your motor vehicle (if it is safe to do so), or
 - you must let us move it to one of our assessment centres or repair facilities, or
 - another location nominated by you and agreed to by us.

- We will authorise the repairs if we agree that your repairer's quote is reasonable and it will result in your motor vehicle being repaired safely and in a cost-effective manner.
 - If the repairer is not an approved repairer or the warranty of your vehicle might be affected, we will ask you to sign an indemnity form.
- **If we do not authorise repairs**, we will pay you what it would have cost us to repair your motor vehicle. The amount we pay is normally determined by obtaining a quote from a repairer of our choice.
 - **When we authorise repairs to your motor vehicle we will:**
 - ensure the repair work is carried out properly
 - use new parts or second-hand parts that are consistent with the age and/or condition of your motor vehicle
 - only use manufacturer-approved parts if your vehicle is under warranty (but not under an extended dealer or manufacturer's warranty).
 - **When we repair your motor vehicle we will not:**
 - pay extra to repair your motor vehicle to a better standard, specification or quality than what it was in before the loss or damage
 - fix a fault or defect in your motor vehicle that existed before the loss or damage occurred unless the fault or defect was due to repairs previously authorised by us
 - pay for repairing pre-existing damage.
 - **Contribution to repairs**
 - You might have to contribute to the cost of repairs as a result of the vehicle not being maintained, wear and tear, weather conditions, rust or corrosion. We will determine how much you pay depending on how worn these items were when the damage happened.
 - If you do not agree to pay these amounts, we will pay you out the amount determined to be the cost of repairs less any contribution charges.
- **If your motor vehicle is a total loss**
 - Your motor vehicle becomes a total loss if it is stolen and unrecovered after 14 days or when we decide it is uneconomical, impractical or unsafe to repair.
 - No payment will be made until we are in possession of the title of the motor vehicle. Salvage becomes our property. You are required to render assistance to us to obtain the title and taking possession of the vehicle.
 - **Personal property or caravan contents claims**

If we agree to pay a claim for loss, theft or damage to your personal property or caravan contents, we will decide if we:

 - repair or replace it to the same condition, standard and specification it was in before the incident, or
 - pay you what it would cost us to repair or replace it.

- **For all motor vehicles other than new vehicles**

We will pay you the retail value or sum insured stated in your schedule whichever is the lesser, less any deductions that may apply.

- **We own the motor vehicle salvage**

- When we replace your motor vehicle or pay you for the total loss, your motor vehicle salvage, including any unexpired registration becomes our property.
- If we ask, you must provide your written consent to assist us to collect any unexpired registration.
- If another party is entitled to the salvage of your motor vehicle, then we will pay you or them the sum insured, less our estimate of the salvage value and any excess. This could, for example, occur if you had purchased your motor vehicle not knowing it was used as security on a financial agreement involving the previous owner. This means the credit provider may be entitled to the salvage of your motor vehicle.

- **Mileage**

We reserve the right to establish the mileage on your vehicle at any time. Where the annual mileage you agreed with us has been exceeded, your premium may be increased to that which applies to the higher mileage driven. If we become aware that the annual mileage has been exceeded at the time of a claim, we may collect the higher premium from the start of the period of insurance and the additional premium will be deducted from the claim payment.

Does your claim affect your cover and premium?

- **After a home claim**

If we pay you part of the sum insured only, your home policy continues for the remainder of the period of insurance.

If we pay you the full sum insured all cover under your home policy stops. There is no refund for the unused premium.

- **After a contents claim**

If we pay the full sum insured on your contents after a claim, your contents sum insured is automatically reinstated and cover continues for the period of insurance at no extra cost. You may need to change your insured address or change your contents sum insured. There is no refund of premium if you reduce your sum insured by the amount of your claim.

- **After an Assets-specified claim**

If we pay you the sum insured for a listed contents item (for example, R500 000 engagement ring), or pay to replace it, cover for that item stops and there is no refund of unused premium. If you want cover for any new replacement item, you will need to contact us and apply for cover for the new item.

- **No-claim bonus**

- A no-claim bonus applies to some sections of your policy as stated in the schedule. Please check your schedule now.

- If you have not claimed during the 12 months prior to renewal of your policy, your premiums may be discounted according to our scale of premiums. If we settle one or more claims, we will increase the premium according to our scale of premiums.
- Claims against certain types of covers, as agreed by us, will not affect your no-claim bonus discount.

What we will do after a claim is paid

○ **Salvaged home contents**

We can take and keep any recovered or salvaged item/s and sell it and keep the proceeds after we have replaced the item or paid you for it.

○ **Our right to recover claims we pay from those responsible**

After we pay a claim under this policy, we can decide to take legal action in your name to recover money from the person or entity that caused the loss, damage or liability. You must give us all the help we need to do this. If we recover money that belongs to you and it was not part of the claim we paid, we will give this to you.

This is the amount that will be paid in the event of a total loss, without any adjustment for depreciation or appreciation. The option for agreed value applies to vintage vehicles or vintage motorcycles only.
- **Car-pooling** means when you are carrying fare-paying passengers and the passengers are contributing towards the running cost of the vehicle in a lift club and there is no element of profit or monetary gain for the driver or owner of the vehicle.
- **Insured cause** means a single occurrence which is not intended or expected to happen.

- **Regular driver/s** means the person who drives or is in control or in possession of the vehicle most often. We use this person's information to determine the rate, terms and conditions. The name of the regular driver/s is stated in your schedule.
- **Retail value for vehicles** mean the value that the vehicle can generally be bought for, from a recognised member of the motor vehicle trade industry. This value is obtained from the Auto Dealer's Guide published by TransUnion Auto (Pty) Ltd, or any similar publication approved by us and adjusted for mileage and condition. Where no provision is made in such publications, the average value given by three independent motor industry sources of our choice will be used. All these amounts are VAT-inclusive.

○ **What are accessories?**

An accessory is an addition to your vehicle which does not enhance the performance or change the structure of the vehicle.

- Factory-fitted accessories are those standard-issued items which are originally fitted by the manufacturer of the vehicle.
- Optional vehicle accessories are those items which are chosen by you to be fitted by the manufacturer.
- Non-factory-fitted/after-market vehicle accessories are those items which are fitted to the vehicle where the value of such items are not included in the retail value which are purchased separately post-manufacture of the vehicle.

We provide automatic cover for non-factory-fitted/after-market accessories up to the limit stated in the schedule at no additional cost.

Should you require additional cover for accessories which are not factory-fitted or optional vehicle accessories included in the retail value of the vehicle we will list the accessories in your schedule and charge an additional premium.

○ **What are motor vehicle modifications?**

Motor vehicle modifications are alterations made to the manufacturer's standard body, engine, suspension, wheels or paintwork of your vehicle which may affect its performance, value, safety or appearance. Examples of modifications include modified:

- engines, for example increased capacity
- body shape and body kits
- performance exhaust systems
- suspension
- fuel systems, for example LPG
- performance-enhancing 'chips', for example Chipbox and Dustec.

Vehicle modifications are not automatically covered as part of your vehicle and you must tell us about them as this may affect our decision to insure you. If we agree to insure vehicle modifications as part of your vehicle, we will list the modification in your schedule. An extra premium and an additional vehicle excess may apply. If a vehicle modification is not listed in your schedule, it is not covered.

Where we cover your motor vehicle

The Republic of South Africa, and temporarily when used in Botswana, Lesotho, Swaziland, Namibia, Mozambique, Zimbabwe, Tanzania, Malawi, Kenya, Uganda and Zambia.

The permanent residential insured address of the insured vehicle must be in the Republic of South Africa.

What is covered

- We will cover you or anyone you authorise to drive your motor vehicle for loss or damage to your motor vehicle caused by an insured cause during the period of insurance.
- The maximum amount we will pay is the sum insured stated in the schedule but it will not exceed the reasonable **retail value** of the insured vehicle and its accessories at the time of the loss or damage.
- We will at our own option repair, reinstate or replace the insured vehicle or any of its parts or its permanently fitted accessories or spare parts or may pay in cash the amount for the loss or damage.
- Vintage vehicle and vintage motorcycle claims will be settled on an **agreed value** basis which is the sum insured stated in the schedule.
- **Credit shortfall** means we will pay the difference between the retail value of the motor vehicle and the amount outstanding on the credit agreement if the vehicle is damaged and it is our opinion that it cannot be economically repaired or when it is stolen and not recovered within a reasonable period. We pay the difference to the titleholder stated in the agreement, excluding instalments or interest on arrears, up to the limit stated in the schedule, provided that the sum insured stated in the schedule is adequate.

Check your schedule now to see if this cover is likely to be sufficient. If you feel that it is not enough, you may ask us for additional cover so that we can increase the limit. You must pay us any additional premium we require.

- **New vehicle** means we will either replace your vehicle with a new vehicle or pay you the cost of purchasing a new vehicle of the same or similar make, model and specification provided it was registered as new in the Republic of South Africa less than 24 months of first registration, and:
 - the cost of repairing any damage is more than 70% of the vehicle's new list price (including vehicle tax and VAT) when you purchased the vehicle, or
 - your vehicle is stolen and not recovered within 30 days.

We will replace the vehicle with a new one only if:

- you own the vehicle or are purchasing it under a hire purchase agreement. A vehicle that is subject to any type of contract hire agreement is not eligible for replacement

 - **Comprehensive** means cover against loss of or damage to your motor vehicle including your legal liability for damage to other people's property.

- **Third party, fire and theft** cover means legal liability for damage to other people's property, or for loss of or damage to the motor vehicle which results from fire, lightning, explosion or self-ignition, theft or hijacking or attempt thereof.
 - **Third party** cover means legal liability for damage to other people's property, but damage to your own motor vehicle is excluded from cover.
- The following **vehicle use options** indicate your selection of use and it is important that you understand the difference in cover. Your cover option will be stated in your schedule against each insured motor vehicle. The following definitions describe your vehicle use options:
- **Business use** means we will cover you for private, domestic, pleasure, professional and business travelling. When you use your vehicle for business such as visiting clients without carrying tools, machinery and stock, it qualifies as business use. You are allowed to carry small samples of the stock you trade in such as Tupperware, carpets or materials. If, however, you use your vehicle to load machinery (such as generators or lawnmowers), tools (such as for plumbing or carpentry) or stock (such as copper pipes, wood) for a specific job or project, then that is commercial travel and not covered under this policy. If your vehicle is available as an employee pool-car and can be used by multiple drivers, it is commercial travel and not covered under this policy.
 - **Reduced cover when vehicle is not being used** means if your vehicle is not being used for an extended period, you may ask us to lower your premium for that period. This is known as 'laid-up' cover. If we agree, you may not use your vehicle outside of the premises where it is being kept. The cover consists only of accidental damage to the vehicle itself, and excludes liability to third parties. The cover is not available if your vehicle is a caravan or motorised caravan.
 - **Limited use** means we will cover you for irregular use for private, domestic, pleasure and professional purposes including journeys to and from any place of employment, but limited to 5 000 km per annum.
 - **Social use** means we will cover you for private, domestic, pleasure purposes, including use for journeys to or from any place of employment, but excluding all business or professional use. Under this use option the vehicle should not travel more than 15 000 km per annum.

Typical examples of explosives and hazardous goods are nitro-glycerine or dynamite; chemicals or compressed gas; gas in liquid form; hazardous waste and liquid petroleum.
 - You may not, under any circumstances, use your vehicle as a courier or transport contractor.

A Code 3 vehicle is a new or used motor vehicle that has been rebuilt after sustaining damage in an accident or incident. Even though it is roadworthy and complies with all relevant legislation, it always carries a Code 3 rating.

A SAPVIN (SA Police Vehicle Identification Number) code vehicle can be allocated only by the Police when a vehicle's VIN number has been tampered with. The VIN number usually starts with AAPV.

"We", "our" or "us" in the wording refers to Sasria SOC Ltd. "You" or "your" in the wording refers to the policyholder.

Words in the singular include the plural. Words in the masculine gender (he) include the feminine gender (she).

Your Sasria policy and the underlying policy

You must have an underlying policy in force

To be insured against the special risks mentioned above, you must have an underlying policy contract in force that includes Sasria cover at the time of the event that gives rise to a loss. If you choose to only take out Sasria cover, there must be a pro forma underlying policy as a formality. The pro forma policy can be issued by any underlying insurer. The underlying insurer must give you Sasria cover regardless of your risk profile.

Sasria policies attach to the underlying policy or they are stand-alone:

- **Attached policies** incorporate the terms, conditions and warranties of the underlying policy with some exceptions (see the next subsection).
- **Stand-alone policies** have their own terms and conditions that are listed in the relevant policy wording.

Policies that attach to the underlying policy	Stand-alone policies
Material Damage (Fire) Contract Works	Motor Business Interruption (Standing Charges, Working Expenses, Loss of net profit, Loss of gross profit, Project Delay)

Policies that attach to the underlying policy

For these policies, the terms, conditions, exclusions and warranties of the underlying policy also apply to the Sasria policy **except for those listed below**:

Standard S.A.I.A. Exceptions

The general exclusions of underlying policies typically include the Standard S.A.I.A. Exceptions. Your Sasria policy covers some of the S.A.I.A. Exceptions, but not all of them.

Your Sasria policy covers **civil commotion, riot, strike, lockout, public disorder, rebellion and revolution and terrorism** (S.A.I.A. Exceptions A(i), A(iii)(b), A(iv), A(v), A(vi) and A(vii) to the extent that A(vii) refers to A(i), A(iii)(b), A(iv), A(v) and A(vi) and C).

Your Sasria policy does not cover **war and war-related activities** (S.A.I.A. Exceptions A(ii), A(iii)(a) and A(vii) to the extent that A(vii) refers to A(ii) and A(iii)(a) and B).

In each policy, see **What we cover** and **What we don't cover** for the details.

If the numbering in your underlying policy does not correspond with the numbering of the Standard S.A.I.A. Exceptions, you must refer to the corresponding contents.

Extensions

Sasria special risk cover only applies to the basic cover of the underlying policy. It does not apply to any additional perils and extensions included in the underlying policy, whether optional or not. Sasria covers its own list of extensions at an additional premium.

Excess

For Material Damage (Fire), there is no excess payable if you claim under your Sasria policy.

For Contract Works, the following excess is payable:

For loss or damage to contract works and materials, the excess or first amount payable is calculated as 0,1% of the value of the specific contract for which a claim is made.

The following minimum and maximum amounts apply:

Minimum excess (first amount payable)

- R250 (Domestic risks)
- R2 500 (All other risks)

Maximum excess (first amount payable)

- R25 000

For loss or damage to a construction plant, the excess is R1 000 for each loss or damage arising from any one insured event.

Premium

Any adjustment of the premium clause or condition in the underlying policy will not automatically apply to your Sasria policy.

Period of insurance

The period of insurance of your Sasria policy is the same as the period of insurance of the underlying policy.

Sasria and the underlying insurer must sign your schedule

For your Sasria contract to be valid, the Sasria schedule must bear the signatures of a director of Sasria and the underlying insurer.

Cancellation

Only you have the option to cancel Sasria cover; Sasria will never cancel your cover.

If an underlying policy is cancelled, it does not automatically result in cancellation of your Sasria cover. The underlying insurer must give you the option to keep your Sasria cover except if the cancellation was due to non-payment. If you choose to keep your Sasria cover, the underlying insurer will issue a pro forma policy to which your Sasria policy will attach.

Our rights

To review rates and premiums

We reserve the right to review the terms and conditions of a policy, including rates and premiums, in line with all applicable laws (e.g. the Policyholder Protection Rules). Where necessary, some or all classes of business rates and premiums may be reviewed with reference to trends, expectations and assumptions, including but not limited to the following:

- a) Documented trend of poor performance on class or classes of business over the last three (3- to five (5) years;
- b) Reasonably balancing the interests of Sasria SOC Ltd and its policyholders' expectations; and
- c) The extent to which the assumptions on which the premium was based have been met.

In accordance with the law, we will duly notify the policyholder in writing, through our distribution channels, of the details of the pending review; the effective date of the review; the reasons for the review; the implication of the review; the policyholder's rights and obligations regarding the review,

including any cooling-off rights offered and procedures applicable for the exercise thereof; and any other relevant details.

Each policyholder will be given a reasonable notice period to make an informed decision as to whether the policy continues to meet the policyholder's requirements as a result of the reviewed terms and conditions.

To take possession of damaged property

When you claim under this policy, you agree that we, and any person authorised by us, have the right to enter the damaged property, or take possession of it, and deal with it in any reasonable manner. This right does not imply that we accept liability for the claim. It also does not diminish our right to apply any condition of this policy.

You remain responsible for all damaged property until it is in our possession.

To take legal action on your behalf

If we have compensated you for loss or damage, we have the right to recover our costs from the responsible third-party. We have the right to take legal action on your behalf to defend or settle any third-party claim. You agree that we may conduct the legal proceedings to our full discretion.

You must cooperate fully with us. Specifically, you agree to:

- do nothing that will prejudice or limit our rights;
- give us all information and documents we require;
- sign any document or affidavit that we request to enable us to exercise our rights;
- attend depositions, hearings, trials and give evidence as necessary; and
- make no admission, offer, promise, payment or statement about Sasria's liability without our written consent.

Transfer of rights

Only you have the right to claim against us under this policy. This right may only be transferred to another person or entity if you should die or if the law orders it.

Sharing information

By entering into a contract with Sasria, you waive your right to privacy and agree that we may disclose to any other insurance company any relevant information that you, or someone else on your behalf, has provided to us.

Your responsibilities

To be covered

To be covered under your Sasria policy:

1. The underlying policy must have been valid and active on the date of the insured event for which you claim;
2. The Sasria premium payments must be up to date and we must have received all such payments; and
3. You must, for attached policies, comply with the terms and conditions of your Sasria policy and those of the underlying policy (with the exceptions described above under **Policies that**

attach to the underlying policies). For stand-alone policies, you must comply with the terms and conditions of your Sasria policy.

Pay the premium in advance

Your Sasria premium is payable in advance per month or per year. If the period of insurance is more than one month, but less than 12 months, the full annual premium will be payable in advance.

If we do not receive your premium by the due date, we will consider this policy to have lapsed at 24:00 (midnight) of the last day of the previous period of insurance, unless you can prove that the failure to pay was an error on the part of our agent or your broker.

Take all reasonable precautions

You must take all reasonable action to prevent loss or damage.

Do not withhold information or commit fraud

It is your responsibility to make sure that you give us all relevant information and that this information is complete, correct, and remains correct. If you withhold any information, or give us false or incorrect information, we may refuse to pay your claim.

We have the right to verify or investigate any information that you submit.

We have the right to reject a claim if you, or any person representing you, commit fraud in terms of this Sasria policy. If we refuse to pay your claim because of fraud or attempted fraud, we will not refund premiums already paid and may start legal proceedings against the defrauding party.

You commit fraud if you, or anyone on your behalf:

- submit a false or dishonest claim under this policy;
- use false or dishonest means or false information to benefit from the cover that we provide; or
- deliberately cause an insured event. For example, if you should deliberately cause a fire or add fuel to it.

Compensation

How we compensate you

If you have a valid claim, we will compensate you for the lost or damaged property by making a payment to you, or by repairing, replacing or reinstating the damaged property.

Who gets the compensation?

If we accept liability, we compensate the policyholder, or his beneficiary in the event of his death, except in the following cases:

1. If the lost or damaged property is still under finance, we will pay the financial institution first.
2. If the lost or damaged property has been sold to you, but the seller still has an insurable interest in the property, we will compensate the seller proportionally if you write to us and request us to do so.

If the compensation that settles the claim is accepted, we will have no further liability regarding the claim.

Policy limits

The limits of compensation are detailed in the respective policies.

Agreed value

If the property is leased, rented or hired under an agreement that requires the insured to insure the property and/or be responsible for it at an agreed value, the sum insured will be the stipulated agreed value.

Countries where you are covered

This policy covers only property situated in the Republic of South Africa or in the territorial waters of South Africa. The 1982 United Nations Convention on the Law of the Sea defines territorial waters as "a belt of coastal waters extending 12 nautical miles (22.2 km) from the baseline (usually the mean low-water mark) into the sea".

Sasria has an agreement with the Namibian special risk insurance association (Nasria). In terms of this agreement, you have Sasria cover in Namibia for a maximum of sixty (60) consecutive days.

Disputes

If a dispute arises as to the compensation payable, or the liability of Sasria, we will refer the matter for arbitration in terms of the arbitration laws in force at that time in the Republic of South Africa, at a place that we will determine.

You will not have the right to take legal action against Sasria until the arbiter has made a decision. The decision of the arbiter will be final and binding.

Amendment

You, or Sasria, may amend this policy, but no amendment to this policy will be valid unless a director of Sasria has signed the amendment.

How to claim

What to do after an insured event

1. Contact your underlying insurer. The underlying insurer will let you know if you have a special risk claim and will handle the Sasria claim on your behalf.
2. Report the incident to the police within 48 hours and get a case number.
3. Do not make any offer or promise or admit responsibility.
4. Do not leave any damaged property without supervision, if possible.

You must claim, or notify us of the intention to claim, under this policy within thirty (30) days of the date of the insured event.

If we receive your claim or notification more than twelve (12) months after the date of the insured event, we will not consider liability, unless the claim is the subject of pending legal action or if the underlying insurer has not yet completed the final assessment of the loss. It is your responsibility to notify Sasria immediately of a pending legal action or delay in the final assessment.

Supporting documents

For all claims, we will request supporting documents or information. Your underlying insurer will send you a list of all the required documents.

Material damage (Fire)

Material damage (Fire) attaches to the underlying policy. Please see the general terms and conditions above for an explanation of attached policies.

Important words and phrases

Word or phrase	Defined meaning
Civil commotion	Large-scale violence by members of the public, causing injury to people or damage to property.
Consequential loss	Loss or damage that is not directly caused by an insured risk, but which is an indirect consequence or result of the insured risk.
Labour disturbance	In the case of Slabbert Burger vs Sasria, disturbance in a labour context was defined as "an overt disturbance of the public peace in defiance of authority, leading to physical damage". Sasria will only consider a claim for loss or damage as a result of a labour disturbance if all four of the following elements are present: • A disturbance of the public peace; • Which happens openly, or which is clear upon observing; • In disobedience of authority; and • Which leads to physical loss or damage.
Lockout	According to section 213 of the Labour Relations Act (66 of 1995), a lockout means "the exclusion by an employer of employees from the employer's workplace, for the purpose of compelling the employees to accept a demand in respect of any matter of mutual interest between employer and employee, whether or not the employer breaches those employees' contracts of employment in the course of or for the purpose of that exclusion". This definition may be amended by South African law from time to time.
Looting	To steal goods, typically during a riot, strike or civil commotion. Looting must take place during an event that Sasria covers. Sasria does not cover theft.
Policyholder	The person(s) or juristic entity in whose name the policy is issued. A policyholder could be: • A holding company and all its subsidiaries (as set out in the Companies Act, 61 of 1973); or • A subsidiary of the holding company; or • An entity other than a company; or • A person or persons.

Public disorder	A riot or other civil commotion that gives rise to a serious risk to public safety, whether at a single location or resulting from a series of incidents in the same or different locations.
Riot	In terms of case law, riot means the tumultuous disturbance of public peace by an assembly of three or more persons acting together in the execution of some private objective. Sasria will only consider a claim for loss or damage as a result of a riot, if all four of the following elements are present: • Three or more persons who have assembled with the same objective; • A tumultuous disturbance of the public peace; • Which leads to strife, violence or threats of violence; and • Physical loss or damage. In terms of this definition, Sasria does not consider the violent acts of three or more people who have different objectives as a riot.
Strike	According to section 213 of the Labour Relations Act (66 of 1995), a strike means "the partial or complete concerted refusal to work, or the retardation or obstruction of work, by persons who are or have been employed by the same employer or by different employers, for the purpose of remedying a grievance or resolving a dispute in respect of any matter of mutual interest between employer and employee, and every reference to 'work' in this definition includes overtime work, whether it is voluntary or compulsory". This definition may be amended by South African law from time to time.
Terrorism	The unlawful use of violence and intimidation, especially against civilians, in the pursuit of political aims. Please note that Sasria cover does not extend beyond the borders of South Africa. In other words, if terrorism happens outside the borders of South Africa, Sasria does not cover that. Furthermore, Sasria does not cover consequential loss emanating from any acts of terrorism.

WHO do we cover?

In the Material Damage policy, Sasria covers the policyholder.

What we cover

Sasria will compensate you for the loss of, or damage to, property insured in the underlying policy, if that loss or damage is directly related to, or caused by:

1. Any riot, strike or public disorder or any act or activity which is calculated or directed to bring about a riot, strike or public disorder;
2. Any act (whether on behalf of any organisation, body or person, or group of persons) calculated or directed to overthrow or influence any State or government, or any provincial, local or tribal authority with force, or by means of fear, terrorism or violence;
3. Any act which is calculated or directed to bring about loss or damage in order to further any

political aim, objective or cause, or to bring about any social or economic change, or in protest against any State or government, or any provincial, local or tribal authority, or for the purpose of inspiring fear in the public, or any section thereof;

4. Any attempt to perform any act referred to in clauses 1, 2 and 3 above;
5. The act of any lawfully established authority in controlling, preventing, suppressing or, in any other way, dealing with any act or attempted act referred to in clauses 1, 2, 3 or 4 above;
6. Looting committed as part of the acts described in 1, 2, 3, 4 or 5 above.

What we DON'T cover

Sasria does not compensate you for:

1. Any form of consequential or indirect loss or damage, other than the loss of rent. We will only cover loss of rent if the underlying policy specifically insures it, and only until the insured building is again suitable to be rented out or occupied;
2. Consequential loss or damage resulting from stopping work, totally or partially, or from delaying, interrupting or stopping any process or operation;
3. Loss or damage resulting from a lawful authority confiscating, commandeering or requisitioning insured property, permanently or temporarily, or any attempt to do so;
4. Loss or damage, in any way caused by, or contributed to, an act of terrorism that uses, or threatens to use, any nuclear weapon or device, or any chemical or biological agent;
5. Loss or damage, in any way caused by, or contributed to, war, invasion, act of foreign enemy, hostilities or warlike operations (whether war be declared or not), civil war, mutiny, military rising, military or usurped power, martial law or state of siege, or any other event or cause which determines the proclamation or maintenance of martial law or a state of siege;
6. Any attempt to perform any act referred to in clauses 4 and 5 above;
7. The act of any lawfully established authority in controlling, preventing, suppressing or, in any other way, dealing with any act or attempted act referred to in clause 4 and 5 above;
8. Loss or damage caused directly or indirectly by, or through, or in consequence of any occurrence for which a fund has been established in terms of the War Damage Insurance and Compensation Act, 1976 (No. 85 of 1976) or any similar Act operative in South African territory to which this policy applies;
9. Loss or damage caused by prevention of access (for example, deterioration of stock or perishables);
10. Loss or damage for which you are liable in terms of a contract, unless you would have been liable for the damage in the absence of the contract;
11. Loss or damage caused directly or indirectly by a nuclear event. A nuclear event is an incident or accident involving the release of radioactive material with negative health and environmental effects.

If we reject a claim by reason of exclusion 5 or 8, you will have to prove that the loss or damage was not related to exclusion 5 or 8.

Conditions

If an insured building or structure is destroyed and Sasria has accepted liability for your claim, you may replace the destroyed building with an equivalent building at another site. Our liability will be limited to the cost of reinstating the destroyed building or structure at the original site.

Compensation

The limit of compensation for the period of insurance is R500 million (excluding VAT), even if the sum insured exceeds R500 million (excluding VAT). Sasria allows for the reinstatement of cover if the limit of compensation has been exhausted during the period of insurance. An additional premium will be charged for reinstated cover for the remainder of the period of insurance.

You may take out additional Sasria cover up to R1 billion at an additional premium. The limit of R1 billion applies to additional cover for Material Damage and Business Interruption combined.

Sasria will base compensation for a single lost or damaged item, or for all the lost or damaged items together, on the sum insured, even if there is a Basis of Loss Settlement clause in the underlying policy.

General terms and conditions

How you should read this document

"We", "our" or "us" in the wording refers to Sasria SOC Ltd. "You" or "your" in the wording refers to the policyholder.

Words in the singular include the plural. Words in the masculine gender (he) include the feminine gender (she).

Your Sasria policy and the underlying policy

You must have an underlying policy in force

To be insured against the special risks mentioned above, you must have an underlying policy contract in force that includes Sasria cover at the time of the event that gives rise to a loss. If you choose to only take out Sasria cover, there must be a pro forma underlying policy as a formality. The pro forma policy can be issued by any underlying insurer. The underlying insurer must give you Sasria cover regardless of your risk profile.

Sasria policies attach to the underlying policy or they are stand-alone:

- **Attached policies** incorporate the terms, conditions and warranties of the underlying policy with some exceptions (see the next subsection).
- **Stand-alone policies** have their own terms and conditions that are listed in the relevant policy wording.

Policies that attach to the underlying policy	Stand-alone policies
Material Damage (Fire) Contract Works	Motor Business Interruption (Standing Charges, Working Expenses, Loss of net profit, Loss of gross profit, Project Delay)

Policies that attach to the underlying policy

For these policies, the terms, conditions, exclusions and warranties of the underlying policy also apply to the Sasria policy **except for those listed below**:

Standard S.A.I.A. Exceptions

The general exclusions of underlying policies typically include the Standard S.A.I.A. Exceptions. Your Sasria policy covers some of the S.A.I.A. Exceptions, but not all of them.

Your Sasria policy covers **civil commotion, riot, strike, lockout, public disorder, rebellion and revolution and terrorism** (S.A.I.A. Exceptions A(i), A(iii)(b), A(iv), A(v), A(vi) and A(vii) to the extent that A(vii) refers to A(i), A(iii)(b), A(iv), A(v) and A(vi) and C).

Your Sasria policy does not cover **war and war-related activities** (S.A.I.A. Exceptions A(ii), A(iii)(a) and A(vii) to the extent that A(vii) refers to A(ii) and A(iii)(a) and B).

In each policy, see **What we cover** and **What we don't cover** for the details.

If the numbering in your underlying policy does not correspond with the numbering of the Standard S.A.I.A. Exceptions, you must refer to the corresponding contents.

Extensions

Sasria special risk cover only applies to the basic cover of the underlying policy. It does not apply to any additional perils and extensions included in the underlying policy, whether optional or not.

Excess

For Material Damage (Fire), there is no excess payable if you claim under your Sasria policy.

For Contract Works, the following excess is payable:

For loss or damage to contract works and materials, the excess or first amount payable is calculated as 0,1% of the value of the specific contract for which a claim is made.

The following minimum and maximum amounts apply:

Minimum excess (first amount payable)

- R250 (Domestic risks)
- R2 500 (All other risks)

Maximum excess (first amount payable)

- R25 000

For loss or damage to a construction plant, the excess is R1 000 for each loss or damage arising from any one insured event.

Premium

Any adjustment of the premium clause or condition in the underlying policy will not automatically apply to your Sasria policy.

Period of insurance

The period of insurance of your Sasria policy is the same as the period of insurance of the underlying policy.

Sasria and the underlying insurer must sign your schedule

For your Sasria contract to be valid, the Sasria schedule must bear the signatures of a director of Sasria and the underlying insurer.

Cancellation

Only you have the option to cancel Sasria cover; Sasria will never cancel your cover.

If an underlying policy is cancelled, it does not automatically result in cancellation of your Sasria cover. The underlying insurer must give you the option to keep your Sasria cover except if the cancellation was due to non-payment. If you choose to keep your Sasria cover, the underlying insurer will issue a pro forma policy to which your Sasria policy will attach.

Our rights

To review rates and premiums

We reserve the right to review the terms and conditions of a policy, including rates and premiums, in line with all applicable laws (e.g. the Policyholder Protection Rules). Where necessary, some or all classes of business rates and premiums may be reviewed with reference to trends, expectations and assumptions, including but not limited to the following:

- a) Documented trend of poor performance on class or classes of business over the last three (3- to five (5) years;
- b) Reasonably balancing the interests of Sasria SOC Ltd and its policyholders' expectations; and
- c) The extent to which the assumptions on which the premium was based have been met.

In accordance with the law, we will duly notify the policyholder in writing, through our distribution channels, of the details of the pending review; the effective date of the review; the reasons for the review; the implication of the review; the policyholder's rights and obligations regarding the review,

including any cooling-off rights offered and procedures applicable for the exercise thereof; and any other relevant details.

Each policyholder will be given a reasonable notice period to make an informed decision as to whether the policy continues to meet the policyholder's requirements as a result of the reviewed terms and conditions.

To take possession of damaged property

When you claim under this policy, you agree that we, and any person authorised by us, have the right to enter the damaged property, or take possession of it, and deal with it in any reasonable manner. This right does not imply that we accept liability for the claim. It also does not diminish our right to apply any condition of this policy.

You remain responsible for all damaged property until it is in our possession.

To take legal action on your behalf

If we have compensated you for loss or damage, we have the right to recover our costs from the responsible third-party. We have the right to take legal action on your behalf to defend or settle any third-party claim. You agree that we may conduct the legal proceedings to our full discretion.

You must cooperate fully with us. Specifically, you agree to:

- do nothing that will prejudice or limit our rights;
- give us all information and documents we require;
- sign any document or affidavit that we request to enable us to exercise our rights;
- attend depositions, hearings, trials and give evidence as necessary; and
- make no admission, offer, promise, payment or statement about Sasria's liability without our written consent.

Transfer of rights

Only you have the right to claim against us under this policy. This right may only be transferred to another person or entity if you should die or if the law orders it.

Sharing information

By entering into a contract with Sasria, you waive your right to privacy and agree that we may disclose to any other insurance company any relevant information that you, or someone else on your behalf, has provided to us.

Your responsibilities

To be covered

To be covered under your Sasria policy:

1. The underlying policy must have been valid and active on the date of the insured event for which you claim;
2. The Sasria premium payments must be up to date and we must have received all such payments; and
3. You must, for attached policies, comply with the terms and conditions of your Sasria policy and those of the underlying policy (with the exceptions described above under **Policies that**

attach to the underlying policies). For stand-alone policies, you must comply with the terms and conditions of your Sasria policy.

Pay the premium in advance

Your Sasria premium is payable in advance per month or per year. If the period of insurance is more than one month, but less than 12 months, the full annual premium will be payable in advance.

If we do not receive your premium by the due date, we will consider this policy to have lapsed at 24:00 (midnight) of the last day of the previous period of insurance, unless you can prove that the failure to pay was an error on the part of our agent or your broker.

Take all reasonable precautions

You must take all reasonable action to prevent loss or damage.

Do not withhold information or commit fraud

It is your responsibility to make sure that you give us all relevant information and that this information is complete, correct, and remains correct. If you withhold any information, or give us false or incorrect information, we may refuse to pay your claim.

We have the right to verify or investigate any information that you submit.

We have the right to reject a claim if you, or any person representing you, commit fraud in terms of this Sasria policy. If we refuse to pay your claim because of fraud or attempted fraud, we will not refund premiums already paid and may start legal proceedings against the defrauding party.

You commit fraud if you, or anyone on your behalf:

- submit a false or dishonest claim under this policy;
- use false or dishonest means or false information to benefit from the cover that we provide; or
- deliberately cause an insured event. For example, if you should deliberately cause a fire or add fuel to it.

Compensation

How we compensate you

If you have a valid claim, we will compensate you for the lost or damaged property by making a payment to you, or by repairing, replacing or reinstating the damaged property.

Who gets the compensation?

If we accept liability, we compensate the policyholder, or his beneficiary in the event of his death, except in the following cases:

1. If the lost or damaged property is still under finance, we will pay the financial institution first.
2. If the lost or damaged property has been sold to you, but the seller still has an insurable interest in the property, we will compensate the seller proportionally if you write to us and request us to do so.

If the compensation that settles the claim is accepted, we will have no further liability regarding the claim.

Policy limits

The limits of compensation are detailed in the respective policies.

Agreed value

If the property is leased, rented or hired under an agreement that requires the insured to insure the property and/or be responsible for it at an agreed value, the sum insured will be the stipulated agreed value.

Countries where you are covered

This policy covers only property situated in the Republic of South Africa or in the territorial waters of South Africa. The 1982 United Nations Convention on the Law of the Sea defines territorial waters as "a belt of coastal waters extending 12 nautical miles (22.2 km) from the baseline (usually the mean low-water mark) into the sea".

Sasria has an agreement with the Namibian special risk insurance association (Nasria). In terms of this agreement, you have Sasria cover in Namibia for a maximum of sixty (60) consecutive days.

Disputes

If a dispute arises as to the compensation payable, or the liability of Sasria, we will refer the matter for arbitration in terms of the arbitration laws in force at that time in the Republic of South Africa, at a place that we will determine.

You will not have the right to take legal action against Sasria until the arbiter has made a decision. The decision of the arbiter will be final and binding.

Amendment

You, or Sasria, may amend this policy, but no amendment to this policy will be valid unless a director of Sasria has signed the amendment.

How to claim

What to do after an insured event

1. Contact your underlying insurer. The underlying insurer will let you know if you have a special risk claim and will handle the Sasria claim on your behalf.
2. Report the incident to the police within 48 hours and get a case number.
3. Do not make any offer or promise or admit responsibility.
4. Do not leave any damaged property without supervision, if possible.

You must claim, or notify us of the intention to claim, under this policy within thirty (30) days of the date of the insured event.

If we receive your claim or notification more than twelve (12) months after the date of the insured event, we will not consider liability, unless the claim is the subject of pending legal action or if the underlying insurer has not yet completed the final assessment of the loss. It is your responsibility to notify Sasria immediately of a pending legal action or delay in the final assessment.

Supporting documents

For all claims, we will request supporting documents or information. We will send you a list of all the required documents.

Motor

Motor is a stand-alone policy with its own terms and conditions. It does not attach to the terms and conditions of the underlying policy.

Consequential loss	Loss or damage that is not directly caused by an insured risk, but which is an indirect consequence or result of the insured risk.
Labour disturbance	In the case of <i>Slabbert Burger vs Sasria</i>, disturbance in a labour context was defined as “an overt disturbance of the public peace in defiance of authority, leading to physical damage”. Sasria will only consider a claim for loss or damage as a result of a labour disturbance if all four of the following elements are present: • A disturbance of the public peace; • Which happens openly, or which is clear upon observing; • In disobedience of authority; and • Which leads to physical loss or damage.
Lockout	According to section 213 of the Labour Relations Act (66 of 1995), a lockout means “the exclusion by an employer of employees from the employer’s workplace, for the purpose of compelling the employees to accept a demand in respect of any matter of mutual interest between employer and employee, whether or not the employer breaches those employees’ contracts of employment in the course of or for the purpose of that exclusion”. This definition may be amended by South African law from time to time.
Looting	To steal goods, typically during a riot, strike or civil commotion. Looting must take place during an event that Sasria covers. Sasria does not cover theft.
Policyholder	The person(s) or juristic entity in whose name the policy is issued. A policyholder could be: • A holding company and all its subsidiaries (as set out in the Companies Act, 61 of 1973); or • A subsidiary of the holding company; or • An entity other than a company; or • A person or persons.

Public disorder	A riot or other civil commotion that gives rise to a serious risk to public safety, whether at a single location or resulting from a series of incidents in the same or different locations.
Riot	In terms of case law, riot means the tumultuous disturbance of public peace by an assembly of three or more persons acting together in the execution of some private objective. Sasria will only consider a claim for loss or damage as a result of a riot, if all four of the following elements are present: • Three or more persons who have assembled with the same objective; • A tumultuous disturbance of the public peace; • Which leads to strife, violence or threats of violence; and • Physical loss or damage. In terms of this definition, Sasria does not consider the violent acts of three or more people who have different objectives as a riot.
Strike	According to section 213 of the Labour Relations Act (66 of 1995), a strike means "the partial or complete concerted refusal to work, or the retardation or obstruction of work, by persons who are or have been employed by the same employer or by different employers, for the purpose of remedying a grievance or resolving a dispute in respect of any matter of mutual interest between employer and employee, and every reference to 'work' in this definition includes overtime work, whether it is voluntary or compulsory". This definition may be amended by South African law from time to time.
Terrorism	The unlawful use of violence and intimidation, especially against civilians, in the pursuit of political aims. Please note that Sasria cover does not extend beyond the borders of South Africa. In other words, if terrorism happens outside the borders of South Africa, Sasria does not cover that. Furthermore, Sasria does not cover consequential loss emanating from any acts of terrorism.
Total loss	A vehicle is a total loss if the cost to repair the damage to the vehicle exceeds 70% of the retail value of vehicle.

Conditions

1. If an insured vehicle is a total loss, the policy will end from the date of such total loss and no refund of the premium will be payable to the policyholder.
2. If an insured vehicle is used to convey goods for trade purposes at the time of the loss or damage, and it is not insured in the correct Motor category, we will not be liable for such loss or damage to the vehicle.
3. You may cancel your Sasria Motor policy at any time, but no pro-rata refund of the premium will be payable if you were paying the minimum premium.
4. At the end of each period of insurance, you must declare all fleet vehicles insured under this policy so that Sasria can make a premium adjustment. You must give us the declaration within 45 days of the end of each period of insurance. We will refund you 50% of the premium or require you to pay the additional premium, as applicable.
5. You must provide your broker with a list of all vehicles insured under this policy as and when we request it.
6. If Sasria accepts liability for a claim under this policy, we extend cover to include damage to a third-party vehicle that is not insured with Sasria, but only if the incident took place while the third-party vehicle was driven on a public road.

Compensation

There is no excess payable if you claim under your Sasria Motor policy.

In the event of a total loss:

1. If an insured vehicle is less than 12 (twelve) months old, from the date of first registration, and the vehicle has travelled less than 2500km per month on average since the date of first registration, Sasria agrees to bear the costs of replacing the vehicle with a new vehicle of the same make and model (subject to the availability thereof). This applies only to vehicles not exceeding 3500kg gross vehicle mass.
2. For vehicles not meeting the condition in 1., the maximum compensation will be the lesser of the retail value (as reflected in the latest TransUnion Auto Dealer Digest) or the agreed value stated on the Sasria policy schedule.

Accessories or spare parts:

If any spare part or accessory required for the repair of a vehicle is no longer available in South Africa, we will pay you a sum equal to the value of the spare part or accessory at the time of the loss or damage. However, the compensation will not exceed the manufacturer's last listed price when the spare part or accessory was still available in the Republic of South Africa.

Towing and storage costs:

If the insured vehicle is involved in an incident that Sasria covers, you must arrange towing and storage with the underlying insurer's authorised service provider. If Sasria accepts liability for the claim, we will refund the underlying insurer. We will also pay the reasonable cost to deliver the vehicle to your address in South Africa after repairs.
