The purpose of the Code is to raise standards of practice and service in the general insurance industry. The objectives of the Code are:

1. to promote better, more informed relations between insurers and their customers;

How to resolve a complaint or dispute

Talk to Hollard first

If You have a complaint, the first thing You or Your insurance broker should do is speak to Hollard.

If the complaint is related specifically to a claim, speak with Your insurance intermediary or insurance broker to discuss the claim with the claims officer managing your claim.

If the staff member or claims officer are unable to resolve the matter, Your insurance intermediary or insurance broker may speak to a manager at Hollard. The manager will usually provide You with a response to the complaint within a reasonable period of time. If the time frame is impractical for any reason, such as the need for more information or further investigation, Hollard will discuss with You alternative time frames. If You are not satisfied with Hollard's response or Hollard cannot agree with You on alternative time frames, You then move on to step 2.

Seek a review

If the matter is still not resolved Hollard will refer You, the insurance intermediary or insurance broker to the relevant dispute handling department or area who will conduct a review of the dispute and will usually provide You with a response to the dispute within a reasonable period of time. If the time frame is impractical, Hollard will discuss alternative time frames with You.

If You are still not satisfied with Hollard's response to the dispute or Hollard cannot agree on alternative time frames, You then move on to step 3.

Seek an independent review

You are entitled to seek an external review of Our decision. Hollard will provide You with information about options available to You, including, if appropriate, referring You to the external dispute resolution scheme administered by the Ombudsman for Short-term Insurance (OSTI).

The OSTI is an independent external dispute resolution office and its service is free to Hollard customers. The OSTI will advise You if they can assist.

1. any infectious or contagious disease (of whatsoever nature or cause);
2. any indication, fears or threat of a possible infectious or contagious disease (of whatsoever nature or cause);

7. **Non-physical damage Business Interruption and Contingent Business Interruption exclusion**

All sections and extensions that provide for such loss, damage/s, costs or expenses are hereby deleted in their entirety.

8. **Electricity Grid Failure exclusion**

Notwithstanding any provision of any section of this Policy including any Exclusion, Condition, Exception, Insured Peril, Extension or other provision not mentioned herein, this Policy does not cover any loss, damage/s (physical or financial), cost or expense of any type whatsoever, legal liability, or any consequential loss directly or indirectly caused by, attributable to, arising out of, resulting from, following or in any way in consequence of or in connection with any Electricity Grid Failure (as defined below).

Electricity Grid Failure is an interruption to or suspension of electricity supply, in any manner, from whatsoever source, and for any reason (including damage and any inability and/or failure on the part of the supplier) which affects an entire municipality (including local, district, regional or any other level that is created by law) or province or the country at substantially the same time, including any interruption, power surge or suspension at the reconnection or reinstatement of electricity supply.

This exclusion also applies to consequential losses in respect of any public utilities that are affected by Electricity Grid Failure including, but not limited to, the disruption of water, telecommunications and sewage systems as well as the deterioration of stock, food or other items.

This exclusion does not apply to Loadshedding (defined below) which remains covered subject to the remaining terms and conditions set out in the policy.

The theft covers of the policy have security requirements, such as alarm systems. It must be noted that there is no cover in place if these requirements are not met in any way, whether directly or indirectly due to Electricity Grid Failure. The Provision in the alarm warranty that states "cover will continue to be applicable whilst the alarm system is not operative due to a failure of the public supply of electricity at the terminal ends of the supply authority's service feeders and that such failure is not due to any act or omission of the Insured." is deleted should such unavailability of electricity be as a result of Electricity Grid Failure.

9. Reinstatement of cover after loss (not applicable to stock on a declaration basis nor to any section where it is stated to be not applicable)

In consideration of sums insured not being reduced where appropriate by the amount of any loss, You will pay an additional premium on the amount of the loss from the date thereof or from the date of reinstatement or replacement (whichever is the later) to expiry of the period of insurance.

"If the property insured is, at the commencement of any damage to such property by discharge or leakage, collectively of greater value than the sum insured thereon against fire damage, then the Company shall be liable under this Extension only for that proportion of the first loss limit as the sum insured against fire bears to the total value of such property and the Insured shall be considered as being their own insurer for the difference and shall bear a rateable share of the loss accordingly. Every item, if more than one, to which this Extension applies shall be separately subject to this Clause."

In respect of this Extension only, Provision 2.1 of Defined Event 6 under Sub-Section A to this Section is deleted.

1. the buildings section of this policy,

SPECIFIC CONDITIONS

1. The insurance under this section will cease if the business is wound up or carried on by a liquidator or judicial manager or is permanently discontinued, except with the written agreement of Hollard.

No claim under this section will be payable unless the terms of this specific condition have been complied with and, in the event of non-compliance therewith in any respect, any payment on account of the claim already made will be repaid to Hollard forthwith.

The insurance under this item is limited to:

1. loss of gross rentals, and
2. increase in cost of working,

and the amount payable as indemnity hereunder shall be:

1. **in respect of loss of gross rentals**
the amount by which the gross rentals during the indemnity period will in consequence of the Damage fall short of the standard gross rentals;
2. **in respect of increase in cost of working**

less any sum saved during the indemnity period in respect of such of the charges and expenses of the business payable out of gross rentals as may cease or be reduced in consequence of the Damage, provided that the amount payable will be proportionately reduced if the sum insured in respect of gross rentals is less than the annual gross rentals where the maximum indemnity period is 12 (twelve) months or less, or the appropriate multiple of the annual gross rentals where the maximum indemnity period exceeds 12 (twelve) months.

DEFINITIONS

Indemnity Period	The period beginning with the commencement of the Damage and ending not later than the number of months thereafter stated in the Schedule during which the results of the business be affected in consequence of the damage.
Gross Rentals	The money paid or payable to You by tenants in respect of rental of the premises and for services rendered.
Uninsured costs	As specified in the schedule (the words and expressions used will have the meaning usually attached to them in Your books and accounts)
Insured standing charges	As specified in the schedule (the words and expressions used will have the meaning usually attached to them in Your books and accounts)

Memorandum applicable to all definitions:

If, during the indemnity period, goods are sold or services are rendered elsewhere than at the premises for the benefit of the business either by You or by others on Your behalf, the money paid or payable in respect of such sales or services will be brought into account in arriving at the turnover, revenue or gross rentals during the indemnity period.

<i>Standard turnover, standard revenue and/or standard gross rentals</i> <i>The turnover (revenue) (gross rentals) during that period in the twelve months immediately before the date of the damage which corresponds with the indemnity period</i>	to which such adjustments shall be made as may be necessary to provide for the trend of the business and for variations or other circumstances affecting the business either before or after the damage or which would have affected the business had the damage not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the results which, but for the damage, would have been obtained during the relative period after the damage. Note: If the damage occurs before the completion of first year's trading of the business at the premises, the value of bracketed terms shall be calculated by using values proportionate to the results obtained during the period between the commencement of the business and the date of damage.
<i>Annual turnover, annual revenue and/or annual gross rentals</i> The turnover (revenue) (gross rentals) during the twelve months immediately before the date of the damage

Departmental

If the business is conducted in departments or branches, the independent trading results of which are ascertainable, the provisions under items 1 (gross profit), 2 (gross rentals) or 3 (revenue) relating to reduction in turnover/gross rentals/revenue and increase in cost of working, shall apply separately to each department or branch affected by the damage, except that if the sum insured by the relative item is less than the aggregate of the annual gross rentals (annual revenue) (sums produced by applying the rate of gross profit for each department or branch, whether or not affected by the damage, to the relative annual turnover thereof) (proportionately increased if the number of months referred to in the definition of indemnity period exceeds 12 (twelve)), the amount payable shall be proportionately reduced.

Deposit premium

In consideration of the premium by gross rentals being provisional in that it is calculated on 75% (seventy five percent) of the sum insured, the premium is subject to adjustment on expiry of each period of insurance as follows:

In the event of the gross rentals earned (proportionately increased if the number of months referred to in the definition of indemnity period exceeds 12 (twelve)) during the financial year most nearly concurrent with any period of insurance being less or greater than 75% (seventy five percent) of the sum insured thereon, a pro rata return or additional premium not exceeding 33.3% (thirty three and one third percent) of the provisional premium paid for such period of insurance will be made in respect of the difference.

In the event of a claim being made under this section, the amount paid or payable thereon will be regarded as actually earned.

If You hold a salvage sale during the indemnity period clause a) of item 1 (gross profit) will, for the purposes of such claim, read as follows:

- "1. in respect of reduction in turnover the sum produced by applying the rate of gross profit to the amount by which the turnover during the indemnity period (less the turnover for the period of the salvage sale) will, in consequence of the Damage, fall short of the standard turnover, from which sum will be deducted the gross profit actually earned during the period of the salvage sale."
