About TCF?

TCF (Treating Customers Fairly) is a regulatory approach which is implemented by the Financial Services Board to ensure that all financial services providers treat customers fairly throughout all their activities.

The TCF goal is:

- Improving customer confidence
- Ensuring appropriate products and services
- Enhancing transparency and discipline

The SIX OUTCOMES

Suretimes Insurance Administrators (Pty) Ltd and all its employees subscribe to all six outcomes of TCF which are as follows:

- Outcome 1** The fair treatment of customers is fundamental.
- Outcome 2** Products and services are designed, marketed and sold in accordance with the needs of identified target markets.
- Outcome 3** Customers are provided with clear information and they are kept appropriately informed during the entire contracting process.
- Outcome 4** When customers receive advice, it is suitable and their circumstances are taken into consideration.
- Outcome 5** Customers receive the performance in the products and services at an acceptable standard as specified by the provider.
- Outcome 6** After the sale has been made, customers are not subjected to unreasonable boundaries such as changes in product, switches in provider, submissions of claims or filings complaints complaint.
